# FAQS

- **Where do I park?**
  - All participant parking is in designated areas at Birdsong Marina. There is an overflow lot directly off of Birdsong Rd with a short, five-minute stroll through the woods to get to the event camping area and event. A really good spot if you want easy access to your car while camping.
  - Please leave valuables at home or carry them with you.
- **Can I park my RV onsite?**
  - Yes! You can rent an RV spot at Birdsong Marina.
  - Birdsong Resort | Marina | Campground
    - 255 Marina Road
    - Camden Kentucky Lake, Tennessee 38320-9699
    - (731) 584-7880
  - Call to make your reservation and use the coupon code SRF2025.

# FAQS

- **Can I bring my kids?**
  - There is no discount for youngsters, but there is a family pass here.
  - The SRF Kids and Teens Programs fill up fast so be sure to grab your tickets and sign your children up well in advance.
- **Can I bring my dog?**
  - The Marina allows well-behaved dogs and has designated dog poo areas. You must clean up after your pet.
  - Certified service dogs are, of course, allowed. There will be some defense dog demos onsite so make the best decision for your companion's safety.
- **Bathrooms & Kitchens**
  - Attendee toilet facilities are outdoors in the form of porta-johns and a few on-site bathrooms with showers.
  - There is no kitchen facility. If you want to cook or chill something, bring a stove and cooler.

# FAQS

- **Necessities & Luxuries**

- **This is Self Reliance Festival: when you come, please be equipped to take care of yourself.**
- **The event is held just outside a small rural town. Everything takes place outdoors. While we rent some chairs, bring your own chair if you can, water bottles, clothing for Tennessee and the season, and all the things you need for comfort. Example: Mama Sauce needs a knitting project in order to listen carefully to a speech.**
- **Some attendees have found cellphone service spotty; others have no problem at all. There is no internet onsite unless you are a vendor. We will try to set up a device charging station.**

# WHAT TO BRING

- Chairs, water bottle, snacks, cash for vendors, notebook & writing utensils, etc.
- Prepare for a large swing in weather! Temperatures can vary GREATLY between day and night.
- You will be walking and standing on gravel all day. You may prefer thicker soled shoes to reduce fatigue and sore feet.
- Don't forget sun & bug protection: sunblock, hat, umbrella, etc.
- Cash is king when hitting up our vendors.
- Be open and willing to network with everyone you meet. You never know who you may be able to connect with.
- If you want to keep your water and snacks cool, feel free to bring a small cooler with you.
